

New Source Review newspaper advertisements for construction permit applications, September 20, 2007. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: September 18, September 19, or September 20, 2007. Public notices are generally published every two weeks. The previous publication of public notices was September 6, 2007.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Flagship Dry Cleaners with a mailing address of 122 Hibiscus Street, Ashland City, TN 37015. They seek to obtain an air contaminant permit (Division identification number 11-0079-01/61182) for the installation of a Dry Cleaning Operation located at State Route 49, Pleasant View, TN 37146. This proposed operation would consist of a dry cleaning machine. A closed loop refrigerated condenser and a carbon absorption system would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. W. Medley is the assigned Division person.

For the Cheatham County *Ashland City Times* -- published once on or before Thursday, September 20, 2007.

The applicant is Hommel Concrete Co. with a mailing address of P.O. Box 762, Newport, TN 37822. They seek to obtain an air contaminant permit (Division identification number: 15-0095-01/61196) for construction of a Portable Rock Crushing Operation at Hwy 25/70, Newport, TN 37821. This proposed operation would consist of crushing, screening, and conveying operations used to produce crushed stone. The crusher would be powered by an internal combustion engine, which would be fueled by number 2 oil. Wet suppression would be used for control of particulate emissions. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. Olga Jacobsen is the assigned Division person.

For the Cocke County *Newport Plain Talk* -- published once on or before Thursday, September 20, 2007.

The applicant is Wayne Vandiver Sawmill, LLC with a mailing address of 705 Walnut Grove Road, Bolivar, TN 38008. They seek to obtain an air contaminant permits for the following sources at the same address as follows:

(2) Dip Coating Operation (Division identification number: 35-0075-02/61169). This proposed operation would consist of addition of a dip tank to the wood working operation, for treating lumber to prevent insect damage and discoloration. There would be physical construction. Because of the amount and type of emissions, the use of air pollution control equipment is not proposed. Mr. Abbas Yavari is the assigned Division person.

The applicant is Four Season's Dry Cleaners with a mailing address of 804 North Military Ave, Lawrenceburg, TN 38464. They seek to obtain an air contaminant permit (Division identification number: 50-0081-01/61186) for installation of a new dry cleaning machine located at the same address. This proposed operation would consist of a dry-to-dry perchloroethylene dry cleaning machine. A refrigerated condenser would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Jim A. Attar is the assigned Division person.

The applicant is Clark Lumber Company, Inc. with a mailing address of 552 Public Well Road, Red Boiling Springs, TN 37150. They seek to obtain an air contaminant permit (Division identification number 56-0055-01/61183) to construct a Waste Wood Boiler Operation located at the same address. This proposed operation would consist of a waste wood boiler (pulverized fuel dry bottom) fired and controlled by the stack temperature for constant furnace temperature. A cyclone separator with no reinjection would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. W. Medley is the assigned Division person.

The applicant is Neal Tarpley Funeral Home with a mailing address of 1510 Madison Street, Clarksville, TN 37040. They seek to obtain an air contaminant permit (Division identification number: 63-0258-01/61223) for construction of a Crematory located at the same address. This proposed operation would consist of a cremator and associated equipment used to incinerate human remains. Natural gas would be used for fuel. An afterburner and opacity monitor would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. Elizabeth Peeler is the assigned Division person.

The applicant is Builders Supply Company with a mailing address of 50 Scott Avenue, Cookeville, TN 38501. They seek to obtain an air contaminant permit (Division identification number: 71-0106-01/61041) for modification

of a Ready-Mix Concrete Operation located at the same address. The proposed modification consists of replacing one (1) fly ash silo with one (1) cement silo. A baghouse would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. Elizabeth Peeler is the assigned Division person.

For the Putnam County *Herald Citizen* -- published once on or before Thursday, September 20, 2007.

---

The applicant is IACNA with a mailing address of 220 Lear Lane, Dayton, TN 37321. They seek to obtain an air contaminant permit (Division identification number: 72-0011-06/61193) for construction of a Surface Coating Operation located at 220 Lear Lane, Dayton, TN 37321. This proposed operation would consist of a paint spray booth and associated equipment used to paint automotive parts. An exhaust filter would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Doug Wright is the assigned Division person.

For the Rhea County *Herald-News* -- published once on or before Thursday, September 20, 2007.

---

The applicant is Rogers Group, Inc. with a mailing address of P.O. Box 25250, Nashville, TN 37202-5250. They seek to obtain an air contaminant permit (Division identification number: 75-0157-01/61177) for the modification of an existing Rock Crushing & Sizing operation at 5920 Burnt Knob Road, Murfreesboro, TN 37130. The proposed modification is to increase the production rate for the feeder to 1600 tons per hour and increase the annual production to 3,500,000 tons of crushed limestone aggregate. Wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. W. Medley is the assigned Division person.

For the Rutherford County *Daily News Journal* -- published once on or before Thursday, September 20, 2007.

---

The applicant is Mapco Express, Inc. with a mailing address of 830 Crescent Centre Drive, Suite 300, Franklin, TN 37067. They seek to obtain an air contaminant permit (Division identification number: 83-0287-01/58991) for modification of a Gasoline Dispensing Facility - Mapco Express #3068/Delek Services located at 1187 West Main Street, Hendersonville, TN 37075. This existing operation consists of one (1) 15,000-gallon gasoline tank, two (2) 10,000-gallon gasoline tanks, and 24 gasoline-dispensing nozzles. Stage I and Stage II vapor recovery equipment are used for gasoline emission control. The requested modification is for the replacement of the equipment listed above with two (2) 20,000-gallon gasoline tanks, one (1) 20,000-gallon dual compartment tank (8,000 gallon gasoline, the remainder diesel fuel), and 20 gasoline-dispensing nozzles. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. W. Collins is the assigned Division person.

For the Sumner County *News-Examiner* -- published once on or before Thursday, September 20, 2007.

---

The applicant is Mapco Express, Inc. with a mailing address of 830 Crescent Centre Drive, Suite 300, Franklin, TN 37067. They seek to obtain an air contaminant permit (Division identification number: 94-0200-01/58979)

for modification of a Gasoline Dispensing Facility - Mapco Express #3340 located at 1100 Hillsboro Road, Franklin, TN 37069. This existing operation consists of three (3) 12,000-gallon gasoline tanks, and 18 gasoline-dispensing nozzles. Stage I and Stage II vapor recovery equipment is used for gasoline emission control. The requested modification is for the replacement of the 18 gasoline-dispensing nozzles and associated vapor recovery piping with 16 new gasoline-dispensing nozzles and new vapor recovery piping. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. W. Collins is the assigned Division person.

For the Williamson County *Williamson AM* -- published once on or before Thursday, September 20, 2007.
